

CRIW CYMRAEG

Why should we set up a 'Cryw Cymraeg' at our school?

Staff members
e.g. support staff
will be able to
extend their own
learning

Instil a genuine
enthusiasm for the
Welsh language and
Welsh heritage.

Ensure the school's
vision for Welsh has
a high focus.

Pam?
Why?

Create a genuine
enthusiasm for Welsh
within the school that
extends to all learners
including staff.

Significantly improve
the amount of
incidental Welsh
spoken by both staff
and pupils.

The children are
responsible for
introducing initiatives
aimed at improving
standards in Welsh.

Staff will feel more
confident in delivering
Welsh sessions and using
Welsh incidentally during
the day.
